RTPI

Chartered Town Planners

Sue O'Neil and David O'Neil are both very experienced MRTPI's with a good success rate in development planning including sport & leisure, and major house building schemes.

Our nationally recognised specialties include all planning for sport, open space and leisure.

We have significant experience of: sports development in the Green Belt; making the sports case for housing developments (including sports land loss, relocation and provision); s106 negotiations, business plans and feasibility studies. We act as expert witnesses at EIPs and Planning Appeals.

SUE O'NEIL BSc(HONS), MRTPI, Director

Sue is a highly experienced sports planner, and MRTPI and leads our work on EIPs and Planning Appeals. Sue has an extensive track record in sports strategy development, and previously worked for Sport England as a regional planning manager and a national lead NGB officer. Sue has strong active contacts in, and respect from, the national and regional sports sectors including her close links with Sport England at national and regional level.

- 2000 - present Director, Nortoft Planning:** Specialties: Sport, recreation and leisure facility planning and development; planning applications; strategic planning; evidence base for applications; project feasibility studies; and planning policy development.
- 1993 - 2000 Regional Facilities Lead, Sport England (then 'English Sports Council'):** Lead planning advisor and team leader in West Midlands planning for sport. National Lottery project development, advice and assessment.
- 1989 - 1993 National Countryside & Water Sports Officer, Sport England (then 'English Sports Council')** Co-ordinating water and countryside-based sports including NGBs.
- 1986 - 1989 NFU Political Adviser:** Adviser on land use policy to the National Farmers Union.

Qualifications and Other Experience:

- Member of the Royal Town Planning Institute (MRTPI). BSc (Hons);
- Village Hall Chair, Treasurer and Trustee.

Sue also cycles, runs, swims, and publishes technical books on the workings of stone circle calendars.

DAVID O'NEIL BSc (Hons), DipEd, DipTP, MRTPI, Director

David is a very experienced MRTPI with a good success rate in planning and development including employment, residential, retail and other commercial land.

Some of our Clients:

SELECTED RECENT NORTOFT PROJECTS:

Nuneaton and Bedworth
Borough Council

Nuneaton & Bedworth Council (2024). Update of highly successful Developers Contributions (Sports) s106 SPD planning policy, resulting in major capital funding for public sports facilities.

St Alban's School & Hallam Land (2022/24): Redevelopment of playing fields in the Green Belt, including moving and enhancing cricket and rugby playing fields for community and school use, enabling major 'North St Albans' housing development by Hallam Land

Obsidian Homes, Land East of Chichester (2024). Planning advice for the balance between on-site versus off-site sports provision.

Miller Homes, Frimley, Surrey (2024). Sports planning support for 170dw brownfield development adjacent to a sports ground in a public park. Consented.

Yardley, Birmingham (2024). Lead expert witnesses in Appeal for single reason for refusal (sports) against refusal of 87 dwellings on one part of former, disused private playing field land. Included significant reinvestment into failing cricket ground, and essential investment into other local sports sites.

Golden Valley Garden Community/Cyber Central UK (2024). Sports planning for this 2,500 homes St Modwin development, supporting integrated planning across four development parcels in West Cheltenham, including playing fields, and s106 funding.

Loddon Garden Village (2023/2024) c4,500 dwellings: A new strategic site, part of Wokingham BC's emerging Local Plan. University of Reading, Beaulieu Homes and Gleeson. Nortoft lead needs assessment and masterplanning for playing fields and sports, assessing needs for football, AGPs, cricket, rugby, hockey and s106 funds.

Bellway Homes, London Borough of Merton: Former Playing Fields (2023):

Development of c100 dwellings on part of a former works playing field (LESSA). Fenced and unused for many years. Prepared the Sports Justification Report for a change of use to a mixed sports and housing. Secured consent, including a £1.8m for: off-site sports investment package back into community sport (football, cricket and rugby); and on-site public open space & sports hub (public open space, play, outdoor gym, tennis courts and MUGA). Full planning permission granted despite Sport England's objection and its request for SoS Call-in (rejected).

Hounslow Cavalry Barracks, consented 1,525 dwellings (2020-22):

Nortoft led on-site and off-site planning for sport and recreation, relocation of playing fields, upgrade of neighbouring park, relevant s106 negotiations, and enabled Sport England to remove its formal objection.

Redrow Homes and Carden Group/Treasbeare Residential Ltd (2022): Treasbeare Garden Village, Cranbrook, East Devon: 1035 dwellings; approved.

Nortoft led the planning of the main Sports Hub for this major dwelling application, having previously led on the wider Cranbrook Town. Input into Local Plan Modifications, masterplanning, facility costs, and s106 negotiations.

Bloor Homes, Bedford River Valley Sports Assessment (2023):

Feasibility study and masterplanning for a major water sports river valey park, to be funded by a large housing development.

Basildon (2020-21): consented 600 dwellings. Nortoft led sports and leisure planning, which included the loss, relocation and enhancement of football, cricket and other sports.

Bath Rugby Club (2023): Sports planning advice for the redevelopment of the Bath RFC/Arena 1865 stadium improvements, including the implications for playing pitch and open space changes.

Stevenage Urban Expansion (2021):

Assessment of need for on-site cricket pitches for a 1,350 dwelling development, including masterplanning matters.

Kibworth: new Community Hub. 2022/23. Planning & project lead for the innovative for £1.3m 'Community Hub' includes social wellbeing, meeting place, recreation, theatre and library. Nortoft led the successful planning application, as well as feasibility and business planning, governance, and partnerships.

"Your perseverance, professionalism and patience has been outstanding". Kibworth Beauchamp Parish Council Chairman.

Danescroft Homes (2022): Wealden District. Development of c180 homes on former playing fields. Overcame Sport England's initial objection. Secured planning via Appeal.

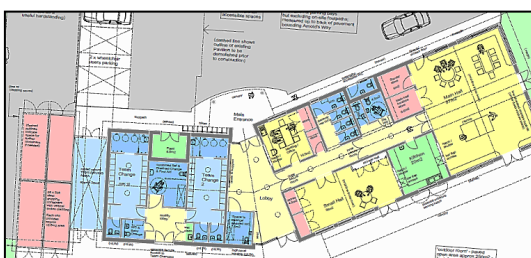

Epsom & Ewell High School, Bellway (2019)

Selling off a former playing pitch in a dense urban area for housing, with 1,000 letters of objection. Overcame Sport England objection. Successful consent achieved, with over £1m re-investment into new school and community sport.

Earls Barton PC (2021) Business Plan: Nortoft re-masterplanned the buildings, prepared a detailed business plan and secured an £800,000 grant from Wellingborough Council towards enhanced playing fields, clubhouse and new 'Active Lifestyles Community Hub'.

"Wellingborough Council Members supported the request for a capital grant noting this facility would greatly enhance the quality of life for those living in Earls Barton and the nearby area. Congratulations were extended to the parish council for the work that they had undertaken. the progress made so far, and the excellent business plan provided".

Community Hall & Sports Pavilion in the Green Belt (2019)

North Hinksey Parish Council now have planning permission for their new facilities, including: large community hall, changing rooms, improved access and parking, and extensive

outdoor adventure youth play facilities. Nortoft led and secured consent from Vale of White Horse DC, despite a vociferous 'NIMBY' campaign.

Sport England National Planning Policy Documents (2019): Nortoft, with DLP, provided lead advice to Sport England on its update of "Planning for Sport Guidance". This followed advice to them on CIL/s106 policies.

International Training Equestrian Centre in the Green Belt, Caldecote Farm, Hertfordshire (2019): Successful consent against strong officer advice. International level equestrian training centre (indoors and outdoors). Detailed business plan to help prove viability and deliverability. Nortoft's robust evidence base of the sporting and wider need and our securing of the support from National Governing Bodies of Sport, made the NPPF 'Very Special Circumstances' case, and successfully passed SoS Call-in.

Multi-pitch City Sports Hub, Milton Keynes Central: Nortoft led the planning and design of this consented artificial grass pitch on a city centre site, including negotiations for MK Council as Network Rail strongly opposed the scheme.

"Following Nortoft's excellent work on our AGP and Playing Pitch Strategies work, David led our planning and design work to negotiate and secure a very significant city centre community sports facility against significant odds. The site was due to be lost to a major national corporation, but his expertise, tenacity and knowledge has ensured a lasting legacy for MK".

(Paul Sanders, Assistant Director Community Services, MK Council)

Rugby Town Successful Appeal (2019): The development for housing on a recently fenced off recreation ground was refused, and an Appeal by the developer was lost as the Appellant withdrew during the Appeal. Open Space matters were the dominant issue, and were defended by Nortoft for the Council.

Nortoft successfully supported the Council against a related JR of the Local Plan on Open Space matters.

The National Badminton Centre (2013-2014) Nortoft led and secured planning for 100 houses on the old centre site, to facilitate a major arena on a new larger site. Included a 16-court badminton hall, 3,000-seater arena, fitness club and athlete accommodation. Included an outline business plan and grant applications and other studies.

Nortoft has written over 100 Local Authority playing pitch, built sports and open space strategies. This has also included: writing Developer Contributions SPDs, assessment of masterplanning/sports needs for major planning applications, updating a built sports facilities strategy, s106 negotiations, business planning and feasibility studies. One example was:

Planning Adviser to the Vale of White Horse and South Oxfordshire Councils:

Nortoft assessed and advised the councils on several complex and major residential applications, and other strategic development sites, of up to 5,000 dwellings, as well as all smaller sites. Advice included the need for on-site and off-site sports, recreation and community facilities. To date over £35m of community facilities have been secured. This work includes the master planning, design and layout, as well as the costing of the facilities and negotiating the developers' contributions (e.g. s106), EIP and planning appeal work. One refusal was taken by the developer up to the **High Court case**, where the Council's case prevailed, and the judgement stated, in relation to the sports planning case prepared by Nortoft for the Council that it was: *"a clear well-reasoned decision ... full justification meeting all the CIL tests"*.
